INTRODUCTION

Established in the year 2006. Hitech Furniture is a one stop shop for state of the art, seating system and other furniture requirements, pioneering the concept of chairs in Nepal.

The company encompasses a range of ergonomic chairs and tables using the latest set of technology in the most affordable price and durable quality with an exclusive range of executive chairs, premier chairs, office desks and a lot more.

MISSION

Recharging your work Energy

Our Mission is to cater to every home and office with the best chairs. As a business we are here to offer a wide range of well-designed, functional, durable, home and office furnishing products at affordable prices that many people can buy.

VISION

Future of Seating

Our vision is to craft people's choice with the best technology and most comfortable chairs. We conduct our business responsibly to create quality standards.

Premier Chair

The Premier chair with high back series is ergonomically crafted to match the human spine, and the wider and thicker back support improves the posture when sitting for prolonged hours. The leather fabric with fine stitching gives a professional look and makes it a perfect fit for the conference/office room.
